January 2020 – a new year, a new decade and a very successful campout for TBS at Paradise Oaks in Bushnell, Florida.

Our hosts were Roy and Mona Pulaski. Roy and Mona were new to hosting so many of our members stepped in to help. Roy decided to use the caterer, Ronda, from RonDon Catering service. The two meals she prepared made Roy and Mona's job a lot easier.

Most everyone arrived Thursday for early bird. A day we all enjoyed relaxing, socializing and playing our favorite games until it was time to go to dinner. After it was back to Paradise to play games of one's choice.

After lunch **Friday** we had a **Chapter Bocce Ball Tournament** with almost everyone participating. After many close games the team of Richard and Jeannette Ormsby emerged as winners. The 2nd place went to Juliet Dudinsky and Serge Frechette. This competition was followed by Happy Hour that took us into our evening dinner provided by our hosts. (Chicken and all the works) After dinner we played the popular **Left, Right, Center** game. After many moans and groans all the money went to lucky Jeannie Potter. The Potters are repeat winners so it was suggested that perhaps they be banned from the next LRC game. That suggestion was turned down so they will be back next time. The rest of the evening was open for everyone to do as they pleased.

**Bocce Ball Winners:**

Richard &amp; Jeannette Ormsby 1st place

Juliet Dudinsky &amp; Serge Frechette 2nd place

Jean Potter was so happy winning Left, Right and Center. She had to be helped by Mike Lima and Frank Cosentino to count all those dollars →

**Saturday** started with our business meeting. Please read the minutes to digest all that was discussed. The meeting was perhaps the shortest we've had in some time especially when we had a quorum. Unfinished business items were tabled to a future meeting. Just a personal note, unfinished business items shouldn't be tabled more than one or two meetings. The meaning and purpose of the issue can easily be lost. The meeting ended with our 50/50 drawing. Bill and Ruth Hemphill were the lucky winners. Bill and Ruth have been TBS members for some time. If memory serves me right this is the first time they've won.

**After lunch** it was get even time for the ladies at **Bean Bag Baseball**. The ladies put up a valiant effort but even though their thoughts and hearts were in the right place they were misled in thinking they could beat the men. The final score was 4-1. The men agreed to play nine innings thinking the ladies could catch up but to no avail. The score could have been more except for the fact that the men's clean-up hitter batted out of turn and his home run was taken off the board. Sorry Pete.

This meal was again provided by our hosts, Roy & Mona Pulaski. After dinner it was cards for several. Some others calling it an early evening.
